discipleship NOW

Proclaiming Jesus Christ
in the 21st Century

Discipleship NOW is an ongoing educational initiative designed to create connections between the sacred story, mission, your everyday life, and the world we live in today.

Join us in an exploration of holistic Christianity and learn ways to embody the ideals and mission of the church in a way that empowers you to live your best life. 🌸

Discipleship NOW is tailored to meet the needs of individuals who have a sense of passion and calling to *grow* and *develop* through their journey with Christ.

Classes are offered over a period of 2 years, with the next cohort starting in Winter of 2012. Six classes are required (taken three per year), to be followed by one year of independent practicum during which an individualized mission plan is carried out.

Classes will be held in two field locations (see mission centers listed below).

Learn and grow as the mission and witness of the church comes to life in tangible expressions of faithful discipleship: **Discipleship NOW!**
