

February 2010

The Inland West Mission Center is a proud participant in Discipleship NOW! In February, 2010 twenty participants from all over the mission center gathered in Boise for the first class in this three year

initiative. We are faithful that the experience of Discipleship NOW! will be a life enhancing one for those who attend and will transform congregations and the mission center as we move forward in mission.

Discipleship NOW! is an initiative that combines classic education with spiritual formation through worship, fellowship and practical application of those things learned during 6 intensive weekend gatherings. These gatherings take place over two years and during the third year of the initiative participants execute a practicum that they develop with Discipleship NOW! instructors, administration and mission center staff.

Discipleship NOW! is meant to launch individuals into the mission of Jesus Christ, bringing redemptive witness to the world. Join us in supporting Discipleship NOW! by journeying further into this page. Read the testimonies of participants, check out the syllabi of classes, read the books suggested, and support those from your congregation who are participating. Maybe you can help with child care or finances for the cost of travel by contributing to the mission center budget. Please support these folks with prayer.

Discipleship NOW! is planned to begin its second cohort in February 2012. If you are interested contact the mission center office.

Enjoy!

John G. VanDerWalker II

Inland West USA Mission Center President
